January 2017

Dear Parents/Carers,

Now that we are established into the Spring term, I would like to highlight some current school issues for your attention and information.

The school day.

Please remember that the children should be ready to enter school at 8:50am through their usual door. The school gates are locked at 9:00am and any children arriving after this time must enter school via the office. We really appreciate your support in ensuring that your child is in school promptly each day as this leads to a smooth start to the school day for all concerned.

Messages to staff.

Messages from parents to their child's teaching team may be relayed to the staff on the door in Reception and Key Stage 1. At Key Stage 2, please write your message in your child's planner. If you have a matter that requires more discussion, please arrange an appointment with the appropriate member of staff.

Parent Consultations.

Although it seems a long time in the future, the dates for the Spring term consultations are Tuesday 21st and Wednesday 22nd March, so please note those dates.

Mr Gamble.

Some of you may be aware that Mr Gamble is currently on sick leave following the recurrence of a previous health problem. During his absence I will be taking on the role of Acting Headteacher. I will, however, continue to be teaching in Year 6. I am sure you will all join me in wishing Mr Gamble a speedy recovery.

You will have seen from our website and from our newsfeed on Twitter that many exciting things have taken place already in school. We all look forward to continuing with a productive and enjoyable Spring term.

Yours sincerely,

Ruth McMaster (Acting Headteacher)
