Tuesday 12th June 2018

Dear Parents and Carers,

OFSTED Report 2018

We are pleased to announce our Ofsted Inspection Letter and grading of 'Good' under the new revised Ofsted Framework. We are delighted with the outcome of the report as it recognises the talents and dedication of the staff and fantastic behaviour and attitudes of our children.

I would like to personally thank all the staff for all of their hard work and commitment in developing our school and offering the children the best learning opportunities. I am very proud to be part of this devoted team who have the best interests of your children at the centre of everything we do.

I would also like to thank you for your support during my time in the school. By working together we can continue to grow and develop an education process that is not only inspiring, but also relevant to our children's needs.

The Ofsted Report demonstrates our commitment to areas of development where we need greater consistency or how new approaches need embedding further, all of which already identified in our school improvement plan and self-evaluation.

Finally, I would like to thank our fabulous children. The report emphasises their very good behaviour and the respect they have for each other and their learning. "Positive relationships between staff and pupils, pupils and their peers make this a friendly and caring school." It also stresses our "positive safeguarding culture in the school" and our commitment of trying to sort issues out quickly when things do go wrong.

If you have any comments or questions about the report then please don't hesitate to contact me.

World Cup Fever

To commemorate the start of the World Cup and the first England game on Monday, we will be showing our support to the 3 Lions by holding a **Red & White day on Friday 15th June** in school. Children can come to school on Friday dressed in red and white and we will be creating our very own 'Acklam Whin message' to send out to the team before their first big game.

The Dream Becomes Real

As you will be aware children from across KS2 will be performing their Midsummer Night's Dream this week and just to let you know we have now **SOLD OUT** for Tuesday and Thursday's performances. There are some tickets for Wednesday afternoon available at the school office. We look forward to seeing you.

Yours faithfully,

Mr D Gamble
Head Teacher
