Dear Parents,

Maths is a big subject and we appreciate there's more to it than times tables and there's more to times tables than learning them off by heart. However, a lot of the rich, interesting maths is all about the multiplicative relationships and these are hard to fully grasp without fluent recall of the tables. For that reason, learning the tables is fundamental – they are a key facilitator to the maths that sits on top.

We are introducing Times Tables Rockstars to help our children learn their tables and this has the option for you to be involved too. On the back of this letter are details how to login and your child's Username and Password.

We would very much appreciate any feedback about Times Tables Rockstars. That doesn't mean we'll forget all about the concepts, patterns, structures and relationships in multiplication. We're going to be learning those too, partly because they go hand in hand with excellent recall.

Maths is a fantastic subject to learn and to teach and Times Tables Rock Stars we feel will be of great value to our children to use at school and at home.

We are really looking forward to using Times Tables Rockstars which we feel is in unison with our approach to Maths in its aim to enable our children to become resilient learners.

Please do not hesitate to get in touch if you have any queries.

Many thanks,

Mrs S Prince

Deputy Headteacher

“There is a positive safeguarding culture at your school. The leadership team, staff and governors share the ambition to achieve the best academic outcomes for pupils and to provide high-quality personal development and welfare for pupils”.
