‘Keeping our Children Safe Online’ meeting on Tuesday 26th March at 3.30pm

Dear Parents and Carers,

We know social media and electronic devices are a big part of ours and our children’s lives and unfortunately, we are seeing a worrying and growing number of instances where problems online are affecting life in school.

We always encourage the children to talk to us about any issues or concerns they have with each other on and offline and we discuss E-Safety as a regular part of our curriculum. The embedding of social media, online chat and the dangers that brings, are an integral part of this generation and we want to work together with you to support our children with the decisions and choices they are making online.

We invite you to come along to our ‘Keeping our Children Safe Online’ meeting on Tuesday 26th March at 3.30pm in school to discuss the challenges that are facing young people and their families online and offer tips and strategies to ensure our children’s safety.

The meeting will be for adults and we will be offering free child care in classrooms by school staff during the meeting. We will also be offering a free cup of tea and biscuits.

It is our Parents’ Evenings this week and while we want to focus our discussions on the academic progress of your children, if you still have concerns, we urge you to raise them there, or afterwards with the class teacher or myself.

As you know, working together with you is paramount to make sure we are giving the same messages about online security and dealing with problems should they arise.

Please complete the form below if you are able to attend the Keeping our Children Safe Online meeting.

Yours faithfully,

Mr D Gamble
