Your child is due to start Reception in September 2020 at Acklam Whin Primary School. As you are aware, the future provision for schools and nurseries is still very uncertain and at the moment we cannot guarantee that we will be able offer our usual induction and start to Reception.

At present, we are unable to give you a confirmed start date or tell you who their teacher is and which class they will be in. We are following the Government guidance and will update you as soon as possible. The best way to keep up to date with the latest developments is via our app – Parentapp. Through this, we can send you direct notifications and emails related to your child’s start date and further information.

If you are not already registered for our Parentapp we need the following information:

Name of child _____

Name of Parent/s _____

Parent/s Email address _____

Parent/s Mobile number _____

Please email this information to Miss Mills awkmills@acklamwhin.co.uk by Tues 30th June at the very latest. We will then register you for the app and let you know the instructions to install it on your smart device or tablet.

We know this is a very difficult time and you will be desperate for your little one to start Reception in September. I can promise you, we will do everything we can to try and get our children in as soon and as safely as possible, following all the guidance given.
