4<sup>th</sup> February 2022

Dear Parents,

It has been another fantastic, **award-winning** week, here at Acklam Whin.

## Silver Award from the Woodland Trust

We have now achieved the silver award from the Woodland Trust's, Green Tree Schools award. The children have been involved in completing activities that include how to recycle in school, ways to help reduce our school's carbon footprint and planting trees. Well done, everyone! Miss Tarran now has her eye on the gold award and our children will be taking part in more activities such as how to be a School Woodland Ambassador, visiting a wood and many, many more- so watch this space...

## Space sensation!

And talking of space, Year 5 have been learning about Astronaut Megan McArthur.

Isabelle's top fact for her fact file about Megan was that she logged 13 days in space on the ISS! Holly's top fact was that Megan was the last person to be hands on with the Hubble Space Telescope- what an outstanding achievement!
